GD Topics for Graduate Students

Difficulty Scale: 🟢 Beginner · 🟡 Intermediate · 🔴 Advanced

Current Affairs & Live Issues

#	Topic	Level
1	India's push for AI regulation — too early or already late?	🟡
2	Union Budget 2026 — does it do enough for youth employment?	🔴
3	BRICS expansion — opportunity for India or a diluted alliance?	🔴
4	Deepfake laws in India — are we prepared?	🟡
5	Semiconductor mission — can India realistically compete with Taiwan and China?	🔴
6	G20 legacy — did India's presidency deliver tangible outcomes?	🟡
7	Rise of tier-2 cities as startup hubs — hype or real shift?	🟢

Evaluators look for: awareness of current events, ability to connect macro trends to ground realities, fact-based argumentation

Case-Based / Situational Topics

#	Scenario	Level
8	*A startup has funding for 12 months. Should it scale fast and risk burning out, or grow slow and stay profitable?*	🟡
9	*A government hospital in a rural district has budget for either 1 advanced MRI machine or 10 basic diagnostic centres. Which should they choose?*	🔴
10	*Your company discovers a security vulnerability in its product. Disclosing it publicly may hurt stock price. What should leadership do?*	🔴
11	*A college is offered ₹5 crore by a liquor brand for campus infrastructure. Should they accept?*	🟡
12	*An employee is consistently top-performing but regularly violates team norms. Should the manager retain or let go?*	🟢

Evaluators look for: structured thinking, ability to weigh trade-offs, consensus-building, decision-making under ambiguity

Controversial but Interview-Safe Topics

#	Topic	Level
13	Reservations in higher education — enabler of equity or barrier to merit?	🔴
