Group Discussion – Evaluation Criteria

Date: 20/08/2026

The following criteria and rubrics shall be used for evaluating the performance of participants during the Group Discussion. Each participant will be assessed based on their individual contribution, communication, interaction, and overall participation in the discussion.

SCORING RUBRIC — CRITERIA DEFINITIONS & BAND DESCRIPTORS							
S. No	**Criterion**	**What to Observe**	**9–10 (Excellent)**	**7–8 (Good)**	**5–6 (Average)**	**3–4 (Below Avg)**	**0–2 (Poor)**
1	Content & Knowledge	**Factual accuracy, depth of subject matter, use of examples/data**	Highly accurate; cites facts & data; gives strong examples	Mostly accurate; relevant points with some examples	Partially correct; few examples; some gaps	Vague; mostly opinion; limited substance	Off-topic or incorrect information
2	Communication Skills	**Clarity, fluency, vocabulary, sentence structure, confidence**	Crystal clear; precise vocabulary; highly confident	Clear delivery; good vocabulary; minor hesitations	Understandable; average vocabulary; some hesitation	Difficult to follow; limited vocabulary; frequent pauses	Incoherent or silent for most of the session
3	Analytical Reasoning	**Logical flow, identifying root causes, connecting ideas, critical thinking**	Identifies cause-effect; builds strong logical argument	Good logic; mostly well-structured reasoning	Some analysis; logic occasionally weak or incomplete	Superficial; restates others without original analysis	No logical reasoning demonstrated
4	Leadership & Team Dynamics	**Initiative, encouraging others, summarising, managing conflicts constructively**	Drives group forward; includes quieter members; summarises	Shows initiative; collaborative; helps resolve tension	Participates actively; occasional positive influence	Passive; self-focused; limited group contribution	Dominates negatively or withdraws entirely
5	Listening & Respect	**Actively listens, builds on others' points, respectful disagreement**	Consistently acknowledges, builds on, or politely counters peers	Usually listens; builds on others' ideas; respectful	Listens intermittently; some acknowledgement	Frequently interrupts or ignores others' contributions	Dismissive, disrespectful, or completely inattentive
